

**Minutes of the Special Board Meeting of the Potters Lake Protection and Rehabilitation District held
Saturday, January 25, 2025, at Town Hall, Town of East Troy, Wisconsin**

Call to Order

The meeting was called to order by Chairperson Cathy Schulz at 9:03 am

Roll Call

Present: Commissioners Cathy Schulz, Chuck DeWall, Bill Roeber, MaryJo Jones and 5 constituents from the district were present.

Annual Treasury Audit

Bill Roeber, Treasurer, handed out a financial packet which included, bank statements and multiple financial statements generated from PLPRD's QuickBooks (accounting software). The financial packet was provided to all present board members as well as Rita Keepers, Tom Kawczynski, and Tim Krenke, audit volunteers. Invoices and payments were checked against the Profit and Loss detail and end of year bank statements were checked against the December 2024 Balance Sheet statement.

During the audit, there was discussion regarding water testing costs and possible action in 2025 to review the water testing practice going forward.

The books were found to be in order.

After the audit was closed, there was additional discussion regarding a lien release for the completed dam on Potter Lake. Bob Rice, former PLPRD Secretary will follow up with both Ayers and the WI DNR asking for written proof of contractual obligations being fulfilled. At the same time, Bob will introduce Chuck DeWall as the new secretary and future contact for the dam.

Motion by Cathy Schulz for a 5-minute break, seconded by MaryJo Jones. Motion passed.

Meeting continued at 11:10 a.m.

Public Comments -no public comments.

New Business

POTTERS LAKE PROTECTION AND REHABILITATION DISTRICT

Policy and Procedure for 401 SLOW NO-WAKE & DAM MANAGEMENT

Revision Date: January, 25, 2025

The District is operated in accordance with Chapter 33 of the Wisconsin Statutes and other laws, including; the Open Meetings Law, the Public Records Law and the Local Government Officials Code of Ethics.

These policies and procedures provide for matters not specifically addressed in state law and shall not be construed in a manner contrary to the Wisconsin statutes and law.

The District uses the publication People of the Lakes: A Guide for Wisconsin Lake Organizations (UW-Extension, latest revised edition) as a general Lake District reference and Roberts Rules of Order as a reference for meeting procedures not addressed in state law or herein.

Section 1. Slow, No-Wake. The District shall comply with the Town of East Troy's ordinance, Chapter 16.05 Public Waters for slow-no-wake water level limitations.

<https://www.codepublishing.com/WI/EastTroy/#1/EastTroy16/EastTroy1605.html>.

- a) **Town of East Troy ordinance, Public Waters** [section 16.05.140] ~~Additional Restrictions, specifically states;~~ **references** when the elevation of Potter Lake is in excess of 8.8 feet as measured at the dam meter, no person shall operate a watercraft in excess of slow, no-wake in any area of the lake. When the lake level ~~reaches~~ **meets or exceeds** 8.8 feet at the dam meter, slow, no-wake signs shall be posted by the Potters Lake Protection and Rehabilitation District at all **public** accesses **between the dates of May 1 – October 1. Posted signage will be deemed necessary by the District based on weather conditions and the current rate of natural spillage over the gate, an engineered design feature of the dam.** The slow-no-wake restriction shall continue until such time as the slow, no-wake signs are removed by the District.
- b) **Notice of Slow No-Wake.** ~~The Town of East Troy shall be notified of the slow no wake restriction and the restriction shall be posted on the District's website.~~ Slow, No-Wake restrictions shall be posted on the District's website **and** ~~In addition,~~ an email notification may be sent by the Lake District to all riparian owners.
- c) The ~~harvesting or dam management leader~~ **Operations & Maintenance leadership** is responsible to organize the "set up" and "take down" of Slow, No-Wake signage when the **PLPRD** board establishes high water levels for the lake. The Slow No-Wake signage public access locations are;
 - 1. Boat Launch
 - 2. Shorewood Dr. entrance
 - 3. Potters Circle entrance
 - 4. Miramar Park #1 (main park)
 - 5. Corner of Miramar, Walnut and Spleas Skoney roads

Section 2. Dam Management.

- a) The Potter Lake dam operates accurately and reliably to comply with the Town of East Troy's water level ordinance.

POTTERS LAKE PROTECTION AND REHABILITATION DISTRICT

Policy and Procedure for 401 SLOW NO-WAKE & DAM MANAGEMENT

Revision Date: January, 25, 2025

- b) The dam consists of one moving gate. The system manually controls the raising and lowering of the one gate of the dam. This operating system is designed to be completely closed when water levels are below 8.8 feet and opened to varying apertures, set manually by the operator, to release water when the level is in excess of 8.8 feet. The raising and lowering of the gate is set by the operator to meet these levels.
- c) Only the District Board members and appointed ~~employees of the Lake District~~ Operations & Maintenance leadership of the Lake District shall manage the dam.
- d) Between April 1 and October 31 the dam shall be checked at least weekly ~~and debris shall be removed~~ by the Lake District's Operations & Maintenance team and debris shall be monitored and removed. All other operations, maintenance and inspections shall follow the PLPRD Internal Procedure DAM OPERATIONS & MAINTENANCE.
